

Putting Nature to Work

Innovative Technology • Proven Products • High Value Partnerships

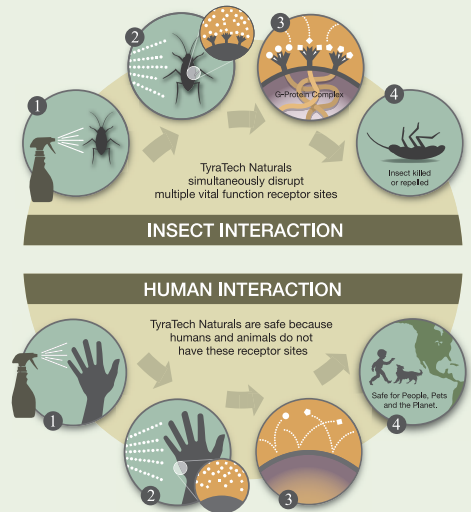

TYRATECH is an emerging eco-technology company that develops plant-based PEST and PARASITE SOLUTIONS that are **POTENT** and **SAFE** for **HUMANS**, **ANIMALS** and the **ENVIRONMENT**. TyraTech's unique product offerings address increasing global environmental concerns and end-user demand for responsible pesticides, parasitocides and herbicides. TyraTech is listed on the AIM market of the London Stock Exchange (Ticker: TYR.L).

TARGET MARKETS

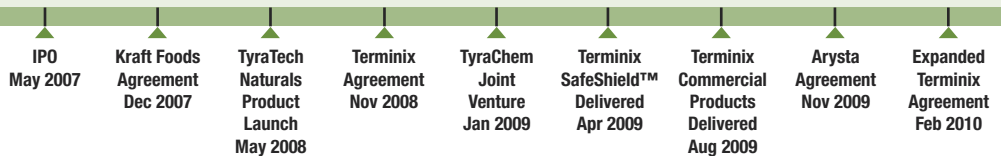

PROPRIETARY TECHNOLOGY

POTENCY & SAFETY: Powerful, plant-based technology targets nerve centers found only in invertebrates like insects and parasites, but not in humans or domestic pets.

COMPANY TIMELINE

BUSINESS STRATEGY

- Develop and commercialize the most potent natural products on the market.
- Identify and target market opportunities that build on our existing technology.
- Leverage high value partnerships with industry leaders to maximize brand equity and market penetration.

PUTTING NATURE TO WORK FOR:

- PEOPLE and PET FRIENDLY CONTROL of INSECTS in our homes and businesses
- PREVENTION of PARASITIC INFECTIONS in people and animals
- SAFER PROTECTION of FOOD CROPS and PLANTS from insects, parasites and fungal diseases
- REDUCING the IMPACT of pesticides on the ENVIRONMENT
